

## **INVITATION**

### **Information and networking evening**

### **Free world class CPD for primary senior leaders in the North West**

The Future Leaders programme is a fully funded leadership development programme for teachers who have the talent to become headteachers of challenging primary schools within two years. We know that the attainment gap starts early and this needs to be addressed from the earliest possible moment. With our seven-year track record of training senior leaders in challenging secondary schools, for 2013 we are expanding our flagship programme to include primary. We provide participants with the training, coaching, and support to lead schools and make a measurable impact on the lives of children from disadvantaged backgrounds.

**Thursday 18<sup>th</sup> April, 5.30 – 7.00pm**

**Blessed Thomas Holford Catholic College Sixth Form Centre, Urban Road, Altrincham, Cheshire WA15 8HT**
